Dear Voter

I am a Chartered Surveyor and Director working with Industrial and Commercial property projects, Developments and Property Investments. This gives me political experience in Property, Business Development, Finance, Compensation and Rating Issues.

Please JOIN THE RESISTANCE! I stood in the European Elections last year when our Party received close to quarter of a million English votes. Please give me a chance to represent Meriden at Westminster where currently a lack of prudence and a failure to look after the interests of British people appears to be rife.

INDEPENDENCE FROM EUROPE says "UK Law must come from Westminster not Brussels. The EU's failure to balance their books for 18 years shows either incompetence or fraud." EU's President Barroso spoke the sad truth saying "This is the new European Empire into which you have pooled your Sovereignty." EU Regulations stifle small businesses and forced privatisation of the Royal Mail.

Policy: Save £55 million per day, free us from over regulation and regulate our own borders. 2,674,000 immigrants entered the UK between 2004 - 2013. Our infrastructure cannot cope with more. Leave the EU and adopt an Australian style immigration policy.

Policy: Save £100 Billion. Scrap HS2 rail project (EU project code TEN-T)

Policy: Stop NHS privatisation and expensive private funding. Create competition between Health Regions and learn from those bringing success. Save NHS costs and mandatory medical insurance for foreign visitors.

Policy: To be effective the M6 relief road (M6 Toll) must be free of charge.

Policy: Ban the cruel transportation of animals for slaughter abroad. Stop slaughter of animals without stunning.

Policy: Enable the elderly to maintain independence in their own homes and improve care facilities. Fund this by cutting overseas aid to Countries with space programs and to "line pockets" etc. Look after our own before wasting cash abroad.
