Dear Voter

I was born and grew up in Sale, Greater Manchester and I know through my work and sporting success that competitive spirit, tenacity and strength is needed to fight in a common sense way for your concerns and rights. As well as a former Formula One Racing Driver I am a mother and business woman. We need a United Kingdom run by our own people, not by distant uncaring EU officers or ineffective, unconcerned and remote politicians. I am a local person ready now to represent every person in the Cheadle constituency without Party Whip or constraint in order to get the best for this whole community and workforce.

Please JOIN THE RESISTANCE! I stood for you in last year's European Elections when our Party gained almost quarter of a million English votes. Please support me in my quest to represent you.

INDEPENDENCE FROM EUROPE says "UK Law must come from Westminster not Brussels. The EU's failure to balance their books for 18 years shows either incompetence or fraud." EU's President Barroso spoke the sad truth saying "This is the new European Empire into which you have pooled your Sovereignty." EU Regulations stifle small businesses and forced privatisation of the Royal Mail.

Policy: Save £55 million per day, free us from over regulation and regulate our own borders. 2,674,000 immigrants entered the UK between 2004 - 2013. Our infrastructure cannot cope with more. Leave the EU and adopt an Australian style immigration policy.

Policy: Save £100 Billion. Scrap HS2 rail project (EU project code TEN-T)

Policy: Stop NHS privatisation and expensive private funding. Create competition between Health Regions and learn from those bringing success. Save NHS costs and mandatory medical insurance for foreign visitors. Restore freedental checkups/treatment and eye tests.

Policy: To be effective the M6 relief road (M6 Toll) must be free of charge.

Policy: Ban the cruel transportation of animals for slaughter abroad. Stop slaughter of animals without stunning.

Policy: Enable the elderly to maintain independence in their own homes and improve care facilities. Fund this by cutting overseas aid to Countries with space programs and to "line pockets" etc. Look after our own before wasting cash abroad.
