Dear Voter

Brigg has been my home since 2004 (formerly Hull) My experience is in building sites, sales, motor industry, as a works manager and a postman plus 20 years in the H.M. Auxiliary Forces. Retired member of GMB CWU and Unison, plus a volunteer with the disabled. Last year I stood for my Party in the EU elections and we gained almost quarter of a million English votes.

Please JOIN THE RESISTANCE! To help the disabled and elderly we must get OUT of the EU quickly to save Billions of pounds. Scrap vanity projects like the £100 bn HS2. Instead upgrade "The Midland Main line" and electrify to Hull and Grimsby. Contracts to local suppliers to secure jobs.

INDEPENDENCE FROM EUROPE says "UK Law must come from Westminster not Brussels. The EU's failure to balance their books for 18 years shows either incompetence or fraud." EU's President Barroso spoke the sad truth saying "This is the new European Empire into which you have pooled your Sovereignty." EU Regulations stifle small businesses and forced privatisation of the Royal Mail.

Policy: Save £55 million per day, free us from over regulation and regulate our own borders. 2,674,000 immigrants entered the UK between 2004 - 2013. Our infrastructure cannot cope with more. Leave the EU and adopt an Australian style immigration policy.

Policy: Save £100 Billion. Scrap HS2 rail project (EU project code TEN-T)

Policy: Stop NHS privatisation and expensive private funding. Create competition between Health Regions and learn from those bringing success. Save NHS costs and mandatory medical insurance for foreign visitors.

Policy: To be effective the M6 relief road (M6 Toll) must be free of charge.

Policy: Ban the cruel transportation of animals for slaughter abroad. Stop slaughter of animals without stunning.

Policy: Enable the elderly to maintain independence in their own homes and improve care facilities. Fund this by cutting overseas aid to Countries with space programs and to "line pockets" etc. Look after our own before wasting cash abroad.
